

To whom it may concern,

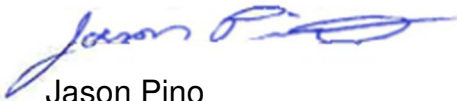

Dear Ottawa Police Department,

The bearer of this letter is applying for a volunteer position with Restoring Hope Ministries. In accordance with our policies, we require that each volunteer over the age of 18 obtain a Level III Vulnerable Sector Check.

Restoring Hope Ministries is a registered charity # 847605847 and as such, we are requesting that the fee associated with this police check be reduced for our volunteer applicant.

Thank you for your help in this regard, and feel free to contact me if you have any further questions.

Sincerely,

Jason Pino  
Executive Director
